Boats not registered within (2) hours of entry to harbor are subject to penalty and impoundment. Rates are subject to change and are established by Ordinance of the City & Borough of Wrangell.

Transient moorage is granted on a first come, first served, space available basis. Failure to pay moorage fees constitutes a breach of mooring agreement and registration. Such failure to pay becomes a lien against the vessel.

Unattended transient vessels moored in the harbor are required to have a local agent that shall take reasonable precautions to see that the boat in charge is kept clean, well-secured, free from hazards of all types, sufficiently pumped-out to maintain the boat afloat and to otherwise attend to the requirements of the boat to avoid damages to other boats or the harbor facilities.

The undersigned hereby agrees as part of the consideration for rental of vessel moorage, to comply with all ordinances, rules, regulation and policies governing the use of Wrangell Port & Harbors facilities and further agrees to indemnify, defend and hold the City & Borough harmless from any and all claims of any kind whatsoever arising out of this agreement, including without limitations, payment of claims for property losses and personal injuries, attorneys fees and other related costs whether related to litigation or otherwise resulting from acts which are not the result of the City & Borough of Wrangell's negligence.
